Collection Statement

To assist Massage & Myotherapy Australia (the Association) in processing your membership application, managing your membership, providing you with services, processing your complaints form, investigating complaints against members and former members, and in otherwise conducting the Association's functions and activities, the Association needs to collect personal information about you. By providing your personal information, you agree that it will be used and disclosed by the Association in accordance with this statement and Association's Privacy Policy, available [here](#). If you do not agree, you must not provide your personal information, and the Association may not be able to process your membership application, communicate with you or provide certain products or services to you. The Association may disclose your personal information to other parties, including third parties who provide products and services to the Association or through the Association in the ordinary operation, administration or promotion of the Association's business including investigating complaints (including to private health funds, other professional associations, the police or regulatory bodies such as the Health Complaints Commissioner) and otherwise in accordance with the Association's Privacy Policy. From time to time, these third parties may be located (and therefore your personal information may be disclosed) overseas, including the Philippines, Canada, Singapore, United States of America, Fiji and other countries from time to time as set out in AAMT's Privacy Policy. The Association may use and disclose your personal information for direct marketing purposes, unless you opt out (which you can do at any time in accordance with the Association's Privacy Policy or by writing to privacy@massagemyotherapy.com.au). The Association's Privacy Policy contains information about how you may access and seek correction of your personal information, how you may complain about a breach of your privacy, and how the Association will manage that complaint.

Criteria

Nominations may be submitted in soft copy (preferred) or hard copy but must not be handwritten.

Please review Policy Statement. Applications received after the closing date will not be accepted.

Non-adherence to any part of the application process will result in the application being ineligible.

The nominator must demonstrate that the nominee meets four (4) of the below criteria. Please choose only four (4) criteria to address, additional criteria may void the application. The nominator should provide supporting documentation in the way of written examples, articles, community award recognitions, and/or other personal/ professional references acknowledging the nominee's contributions to the massage therapist profession.

Criteria 1	<i>Ability to organise and promote the profession of massage therapy and/or myotherapy</i> This can be demonstrated through organising regional meetings, networking events or other local, state or national massage and/or myotherapy awareness programs that the nominee may be involved in.
Criteria 2	<i>Encourages a high standard of knowledge and proficiency among the members</i> This can be demonstrated through teaching either at an RTO (Registered Training Organisation), TAFE, or post graduate education, or hosting skill sharing workshops.
Criteria 3	<i>Encourages and disseminates research in the areas of massage therapy and/or myotherapy</i> The nominee could be involved in research projects, or work in areas where massage and/or myotherapy research is utilised.
Criteria 4	<i>Assist in the development of code of conduct and fitness to practice and seek to ensure that the conduct of the profession is regulated by the members</i> This could be demonstrated through active participation on sub committees and through the dissemination of these standards to members.
Criteria 5	<i>Improve standards or develop codes of practice for advertising of massage and myotherapy practitioners and providers of massage and/or myotherapy education</i> This can be demonstrated through actively working with local, state or national newspapers and other advertising mediums to help promote the massage industry.
Criteria 6	<i>Seek to establish mechanisms to ensure the quality delivery of massage and/or myotherapy training in Australia</i> This can be demonstrated through the active participation in curriculum advisory committees, or working in roles within RTO, TAFE, or other post graduate training where establishing the need for ongoing education is necessary.
Criteria 7	<i>Advocacy: Advancing the profile and recognition of members and the profession with Governments and regulators in pursuit of the objects of the Association</i> This can be demonstrated through assisting at all levels of government, being called on for comment on issues regarding the massage therapy and/or myotherapy industry.
Criteria 8	<i>Service to the community on behalf of the Association or as a volunteer</i> This can be that the nominee has contributed to the community, either as a private individual or as a representative of the Association.
